QUESTIONS & ANSWERS

Questions & Answers

In the price Schedule the following Items are

0005AA

The contractor shall provide all equipment, labor, materials and supervision to construct the billeting building as per the scope of work herein. Each building is a single two story 80 person double occupancy billeting building constructed from shipping containers or other modular prefabricated construction methods; includes all amenities within building; utilities shall include power, communications and preparation of capped stub-outs for connection of future plumbing fixtures and future installation of water and sanitary sewer lines.

Question 1: Does the above mean that no internal plumbing fittings, sinks, showers, toilets and internal piping should be included in this price, does this price include only building price without sanitary fittings since these internal utility works are requested in Item 0006 AB?

Answer 1: Your assumption is correct.

0006 OPTION

Option No.1 FFP The contractor shall provide all equipment, labor, materials and supervision to design and construct the facilities as per the scope of work herein. Design and construction for two (2) each 80 person facilities within base proposal, add the following: complete lavatories/showers/toilets; connect new water lines to new potable water system; connect new sanitary sewer lines to new holding tanks.

0006AA

OPTION

Construction Costs FFP Exterior Utility Work

0006AB

OPTION

Building costs FFP Interior Utility Works

Question 2: In this option which internal utility works are included? Is it all plumbing/sanitary fixtures and connections which are to be installed in the building and has to be mentioned here?
Or

Answer 2: Interior utility work refers only to the required interior plumbing / sanitary fixtures.

Question 3: There is no item number mentioned in the price schedule which shows where the prices for “potable water system, water tank, booster pump station, ground well water source, water well pump, and hydro-pneumatic water storage tank, and underground pipe distribution system” has to be mentioned, under which item number these prices should be reflected since this is an overall common system for all the phases? Please advise.

Answer 3: Base bid CLIN item needs to be added for potable water system.
